Chinook Media - Master Vendor Agreement

Terms & Conditions for Independent Labels and Distributors

1. Purpose & Parties

This Master Vendor Agreement ("Agreement") is entered into by Chinook Media Group and the participating Independent Record Labels, Artists, and Distributors ("Vendors") providing audio content, metadata, and promotional materials for distribution via the Chinook platform.

2. Catalog Content & Metadata Submission

Vendors must deliver all tracks and albums in accordance with Chinook technical standards. Metadata must accurately reflect `ArtistName`, `AlbumTitle`, `Genre`, and explicit lyrical tags. Mismatched metadata that alters customer search queries or reporting fields will result in the suspension of the affected track list.

3. Royalties, Invoicing, and Payment Terms

Chinook processes all sales payouts net 30 days from the close of the calendar month. Payments are calculated based on verifiable invoices logged in the Chinook accounting database. In the event of an audit, the vendor's digital signature logs must match the corresponding internal `TrackId` logs.

Appendix A: System Integration & Database Schema Sync

This documentation is fully indexed against the master transaction ledger. Any procedural updates made within this text must explicitly map to corresponding attributes within the `Customer`, `Invoice`, `InvoiceLine`, and `Track` entities. Automated ETL tasks process these alignments daily at 02:00 UTC.

Appendix B: Operational Compliance Sign-Off

Authorized corporate actions and document distribution are managed directly under executive oversight from our regional headquarters. For questions regarding system alignment, reach out to your designated Support Supervisor or General Manager.
